For:

We are proud to announce the second annual International Conference "Economics and Management – Based on New Technologies" (EMoNT-2011). This conference is an opportunity for academics, researchers, experts and scholars to meet and share knowledge and experience towards an improved future.

The Conference also encourages graduate students (at the PhD or Master's level) to submit their research results, with a significant fees' discount. As a result of knowledge and experience networking, the conference should provide propositions of possible solutions for overcoming the effects of the economic crisis.

The 7th International Conference "Economics and Management - Based on New Technologies" (EMoNT-2017), will be held on 15-18 June 2017 in Vrnjačka Banja, Serbia.
